THE PROPERTY

Berllan Fedw Farm is a wonderful farmhouse with much character and charm. The property has been recently renovated by the current owners and is ready to simply move in, unpack and enjoy. There is however still scope for improvement and planning permission has been granted to replace the current conservatory with a single storey extension spanning the length of the property.

Step through the front porch and into the entrance hall which is very spacious and is utilised as a dining room. It has dual aspect sash windows allowing light to flood in, an alcove and parquet flooring that continues through to the sitting room.

The sitting room has sash windows overlooking the stable block at the front of the property and a woodburning stove which sits on a stone hearth with a wooden mantle over. From the sitting room doors open into a conservatory which is of uPVC construction with a polycarbonate roof. French doors open out to an al-fresco dining area. The far reaching views towards Wentwood, Devauden and Trellech from the conservatory are simply stunning.

Between the entrance hall and the kitchen is an inner hallway. Doors from here lead to a cloakroom and boot room. The boot room has an exposed stone wall, a window to the rear and a door to the garden.

The kitchen has an original feature fireplace which is the perfect spot for the range cooker. There are a range of fitted base units with work top above, space for a dishwasher and fridge freezer and a sink beautifully positioned under the window with a view over the garden and land beyond. A door opens into the pantry / utility room which has plenty of space for white goods and houses the boiler.

From the entrance hall / dining room stairs lead to the first floor landing. The landing has two windows that let light flood the space. There are three double bedrooms on the first floor, each one having a delightful outlook over the land surrounding the property. The principal bedroom is extremely spacious and has dual aspect views over the front and rear aspects.

The modern family bathroom completes the property with a separate shower and freestanding bath in addition to the w.c and sink.

OUTSIDE

Berllan Fedw Farm is located at the end of a track owned by the property. The two neighbouring properties have a right of access over the track.

A gate opens into an off-road parking area for many vehicles. A garage and stable block are situated within this area which could offer potential to be converted into a holiday let or annexe subject to gaining any necessary planning consents.

A door at the rear of the garage opens onto steps leading down to a steel framed barn with power, water and lighting. To the rear of the barn there are sheep pens in place and a further off road parking area for larger vehicles and trailers.

Opposite the steel framed barn is an American barn with ventilation panels in the roof housing 7 stables, two tack rooms, a kitchen and a w.c. Above the tack rooms is a mezzanine area currently used for storage. The stables are located conveniently close to the 60 x 20 metre outdoor arena.

The farmhouse has pleasant gardens and grounds surrounding the main house with seating areas ideal for al fresco dining during the summer months. A patio area is located directly outside the conservatory. Superb, far reaching views can be appreciated from the gardens and land.
